

# Skills Center

## at Rend Lake College

Our Skills Center can help you get more of what you want.

Earn a **GED**<sup>®</sup> diploma with test prep courses.

Enroll in our **Bridge** program to explore career pathways in healthcare, manufacturing or information technology, and to build job skills.

**ICAPS** allows you to work toward your GED<sup>®</sup> while training in a college certificate program.

If you are ready for more, call us today.

---

More skills.

More opportunities.

More success.

More fulfillment.
