**I. Indicate current status of school performance against State-determined long-term goals.
(Include: performance of student groups, achievement gaps, and performance relative to indicators beyond academic achievement)**

II. Summarize school findings based on Illinois Quality Framework Supporting Rubric needs assessment and/or other needs assessments conducted at the school.

III. Identify any resource inequities, which may include budgeting, to be addressed through implementation of this improvement plan.

IV. Detail activities, interventions, and strategies the school intends to implement to address needs identified earlier. Briefly describe how these strategies and interventions will address gaps in achievement and student inequities.
