

# Regional Office of Education #21

## Learning Technology Center of Illinois Virtual Workshops

### Google Classroom Training Session

**Date:** September 1, 2020

**Time:** 10:00 AM - 12:00 PM

**Cost:** Free

**Professional Development Hours:** 2

In this session, participants will learn the ins and outs of Google Classroom and best practices for integrating this amazing tool with their students! We will do more than just walk through Google Classroom. Participants will also deep dive into how Classroom integrates with other apps, and how teachers can successfully manage their digital coursework, especially in our current remote learning environment.

### Creating Digital Assessments with Google Forms

**Date:** September 1, 2020

**Time:** 1:00 PM - 3:00 PM

**Professional Development Hours:** 2

Adding Google Forms into your educator toolbelt can be easy and fun! In this session, participants will learn a variety of ways that Google Forms can transform their classrooms. Forms allows teachers to do everything from gathering student or parent information simply and conveniently to converting current paper tests into online assessments which can be modified to meet the diverse needs of all learners. Harness the power of Google Forms!
