

ROE #21

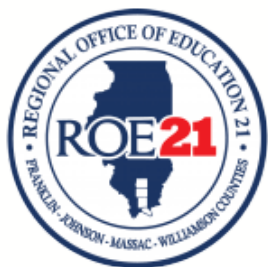

Annual Report of Activities

July 2019 - June 2020

Regional Office of Education #21

Franklin – Johnson – Massac – Williamson Counties

Lorie LeQuatte, Regional Superintendent of Schools
Mandy Horn, Assistant Regional Superintendent

Dear Friends of Education,

I am proud to present the Franklin, Johnson, Massac, and Williamson County Regional Office of Education's 2020 Annual Report. We work hard to maintain high standards of excellence in our educational community through safety, support and success. It takes a team of high-quality staff, involved families, responsible students, and active community members to accomplish this. The Regional Office of Education supports and strengthens all of their efforts through services that ensure safer schools, well-trained educators, and opportunities for all learners. As you will see in this year's annual report, we ensure safety by making sure students go to school in safe buildings with respectful environments. This is accomplished by providing support for our teachers and administrators to do their jobs better through professional development, leadership training, and licensure navigation. Our goal remains the same: to provide the necessary support to ensure that our students have success in their education.

This year, unlike any other, demonstrated the need for additional resources to support educators and students throughout the prompt transition to remote learning. ROE #21 met this challenge by converting professional learning trainings to a virtual platform that would support teachers in the transition to remote learning while building a network of support throughout the state. Over the past two years the ROE has focused on building capacity within our schools by implementing Instructional Coaching Cohorts. This has been very successful, and we will begin our third Instructional Cohort during the 2020-2021 school year. Instructional coaching encourages peer to peer conversations to improve professional practice. This past year the ROE #21 Advisory Board, a group of administrators, district staff, and ROE staff has been collaborating to improve truancy intervention.

The discussion centered around support for families and students by identifying barriers families face to help students get back on track with their attendance. The Advisory Board recognized that the social and emotional health of students is critical to the whole child's development. ROE #21's Alternative and Regional Safe schools along with many other districts within ROE#21 partnered with Illinois Education Association and the Harvard Lab School in the Resilient Southern Illinois (RSI) initiative to better provide quality education by understanding the social emotional health of our students. In addition, ROE 21 is diligent in its grant writing efforts and was awarded the Truants Alternative Optional Education Grant for the 2020-2021 school year as well as the McKinney Vento Federal Homeless Grant, where we serve as the fiscal agent and Area VI Coordinating hub for the 27 southern most counties in Illinois. We have also written for the following grants this year while continuing to provide strategic support to our schools. If awarded we will begin implementation in the 2020-2021 school year: Supporting Effective Educator Development Leading While Learning (SEED), Supporting Effective Educator Development Resilient Southern Illinois (SEED), as well as Illinois Elevating Special Educators Grant. Each of these grants will provide the needed support and training for educators within Franklin, Johnson, Massac, and Williamson Counties. We continue to focus on reducing redundancies, sharing resources, increasing resources, creating more meaningful partnerships and advocating collectively to address issues facing our schools.

This annual report is an overview and is not inclusive of all the services and collaborative partnerships the Regional Office of Education provides as an educational leader for the benefit of the schools and citizens of our region. [Article 3 of the School Code of Illinois (105 ILCS 5/305)]

Yours in Education,
Lorie LeQuatte

Lorie LeQuatte, Regional Superintendent

Safety

BUS DRIVER TRAINING

The Regional Office of Education 21 offers bus driver training courses required by the Illinois State Board of Education. While delivering the “Initial” and “Refresher” training courses, bus safety is emphasized. The modules for the courses are updated annually as we prepare drivers to transport our students. Interest in bus driver training continues to grow rapidly in our region.

A total of 403 individuals registered for bus classes from July 1, 2019–June 30, 2020:

- Initial Bus Driver Trainings - 8
- Driver's Served in Initial Training - 93
- Refresher Bus Driver Trainings Held -17
- Driver's Served in Refresher Training - 310

FINGERPRINTING (105 ILCS 5/10-21.9)

The Regional Office of Education provides fingerprinting services for all our public school districts. The Illinois School Code requires all new employees to have both a State and FBI criminal background check. Last year, approximately 1120 people were fingerprinted. The electronic submission of fingerprints allows the ROE to typically receive results within 24 hours, so a school district can begin employment immediately.

Fingerprinting Services (The Firm)

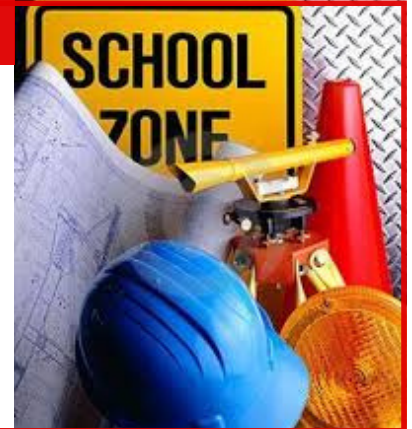

County	Qtr 1	Qtr2	Qtr 3	Qtr 4	Totals
Franklin	109	60	55	52	276

Williamson	226	143	119	41	529
Totals	459	296	250	115	1120

HEALTH LIFE SAFETY

The Regional Office of Education (ROE) issues building permits for all school building project subject to the requirements of 23 IL Administrative Code Part 180. ROE staff review the documentation submitted to verify proper procedure and execution by the architect and the school district.

During the 2019-2020 School Year

- 53 Buildings Inspected
- 13 Building Permits Issued
- 3 Occupancy Permits Issued

COMPLIANCE REVIEW

Each school district located within Franklin, Williamson, Johnson, and Massac counties are visited every other year on a rotating schedule by the Regional Office of Education Superintendent and Assistant Superintendent to verify they are compliant with the 23 IL Administrative Code Part 1 Operational Requirements. Licensed personnel files are reviewed to verify that assignment requirements are being met. School board responsibility, policies and procedures, budget records, curriculum, and other mandates are also reviewed for compliance.

8 Compliance reviews were completed this year. The remaining reviews were postponed due to COVID 19.

REGIONAL SAFE SCHOOL COOPERATIVE EDUCATION PROGRAM GRANT (RSSCEP)

School year 2019-20 was the first year ROE 21 implemented the RSSCEP program for students at our STAR Quest South Regional Safe School Program. The RSSCEP is an extension of the regional safe school program located in Metropolis. With this grant we were able to provide an alternative cooperative education program for students 16 and older with paid work experience. The program provided for course credit, a minimum of 200 minutes of instruction per week on general and specific topics related to careers and employment, and provided an individualized optional education plan (IOEP) for each student. The staff worked closely with the employer, school guidance personnel, teachers, parents, and others in a combined effort to provide the students with the suggested minimum 10 hours per week of work experience. The goal of the grant is to provide work experience training, establish procedures for cooperation with employment agencies, labor groups, employers, and other community agencies in identifying suitable training sites. Upon successful completion of the cooperative education program students will receive high school credit.

In our first year of implementation we enrolled 10 students into this program; 7 completed high school credit successfully completing the program and 3 students are continuing to work in construction and landscaping.

REGIONAL SAFE SCHOOL PROGRAM AND ALTERNATIVE EDUCATION

S.T.A.R. Quest Academy Regional Safe School (RSSP)

Success Through Acting Responsibly

S.T.A.R. Quest Academy Regional Safe School (RSSP) serves expulsion-eligible and suspension-eligible students in grades 6-12. The statewide program began serving Illinois students in FY97 as established by 105 ILCS 5/13A of the Illinois School Code providing a system of alternative education programs for disruptive students. Because of the actions of a small number of disruptive students, local school districts face increasing problems in maintaining a safe environment for all students. Expelling or suspending disruptive students puts them on the street, which may increase safety and advance the learning environment inside the school premises but does not serve the educational needs of the expelled or suspended students or the community's need for public safety. We currently man this program in two location Metropolis, STAR

The purpose of RSSP is twofold:

1. to increase safety and promote the learning environment in schools and
2. to meet the particular educational needs of disruptive students more appropriately and individually in an alternative educational environment.

Project E.C.H.O. Alternative Junior High and High School

The E.C.H.O. Alternative School Program has been in existence since 1989 providing educational services for students throughout ROE #21. The program emerged from an interest of local school administrators and educators to provide programming for students considered to be at-risk of dropping out of school. The program was initiated to provide students who did not qualify for special educational services and were not experiencing success in the traditional day school program, for a variety of reasons, with an option to continue their education.

Our alternative and safe schools are partnering with Resilient Southern Illinois, where our staff participates in training and the implementation of trauma informed practices. We are transforming our schools with the knowledge and best practices to meet the social emotional and educational needs to best support our students.

Both ECHO and STARQuest function as Trauma Sensitive Schools with trained staff and a focus on the whole child:

- A trauma-informed school promotes a safe and welcoming climate;
- Seeks to create a structured and predictable learning environment that minimizes unnecessary trauma and loss reminders;
- Focuses on building positive and attuned relationships between teachers and students, and among school staff
- Has anti-bullying and suicide prevention programs; and
- Uses a balanced restorative justice (a.k.a. restorative practices) approach to conflict and conflict mediation with appropriate disciplinary action.

COVID19 caused our alternative and safe schools to pivot to remote learning at a very rapid pace. Despite the constraints of remote learning, students were able to stay connected with their teacher and fellow students throughout the quarantine period by participating in daily Zoom calls, online lessons, and outreach. The school staff provided continue support for both students and families to ensure their health and safety, as well as resources to assist those in need. In response to COVID19 staff also continued to provide support for students and families through the summer of 2020 to assist with academic and social emotional needs.

TRUANCY

ATTENDANCE MATTERS EVERY DAY FOR EVERY STUDENT AT EVERY SCHOOL

The Truancy Program focuses on early intervention into truancy issues for students, educating students and families as to the consequences of missing even 2 days of school per month. Our goal is to identify the reasons for truancy and to provide supports to overcome barriers the family or student may be experiencing.

LICENSURE

The Regional Office of Education (ROE) is a local office, easily accessed by our constituents. Our Licensure Department answers inquiries and researches licensure issues for educators and school districts, as well as assisting educators with initial licensure applications, subsequent endorsement applications, and renewal/registration of licenses. Our Licensure Specialists have direct access to the Illinois State Board of Education (ISBE) in Springfield and use that access to facilitate licensure issues for educators/districts and to cut through any bureaucratic red tape.

Para Licenses Issued	41	10	11	3	65

SUBSTITUTE TEACHER TRAINING

Illinois House Bill 5627 was signed into law on July 1, 2018. This law allows for individuals with 60 hours of college credit to apply for a short-term substitute (STS) teaching license. These STS license holders are required to complete training before working in the public schools.

As a service to Franklin, Johnson, Massac, and Williamson County school districts, The Regional office of Education 21 has been offering substitute teaching training workshops that satisfy this requirement. The workshops have been open to anyone interested in substitute teaching in our region.

ROE 21 Provided 5 training and led more than 175 attendees through the steps required to become a substitute teacher. They also covered topics such as expectations, classroom management techniques, and school safety. Time was allowed for answering questions, assisting those interested in completing a license application, and completing background checks for license holders.

Professional Learning Opportunities

PROFESSIONAL DEVELOPMENT

April 1, 2020-June 30, 2020

- Number of Events/Trainings.....80
- Number of Participants.....2139

IL EMPOWER

Regional Office of Education #21 is an Illinois Empower Learning Partner. Schools, districts, partners, and the state work collaboratively to promote shifts in practice based on each school's improvement needs. IL Empower builds capacity in the areas of Governance & Management, Curriculum & Instruction, and Climate & Culture. Consultants through ROE #21 work with districts to provide individualized professional development for low and underperforming districts. The differentiated sessions have taken place in schools throughout ROE #21 Region.

TEACHER INSTITUTE DAY

ROE #21 assists in the planning of multiple county-wide institutes for public school teachers and paraprofessionals in Franklin, Johnson, Massac, and Williamson County. Teachers of all grades and subjects PreK-12 are invited to participate in their County Institute Day. During the Institute, educators may choose to participate in various professional learning sessions. All sessions are held at no cost to the educator and consist of quality professional learning.

Support

ADMINISTRATORS' ACADEMY

The Regional Office of Education conducts Administrator Academies throughout the academic year in a variety of areas covering a multitude of topics. Some of the topics that were delivered during the 2019-20 school year included:

- Health Live Safety & Compliance
- Effective Professional Conversations
- Student Growth
- Legal Implication of Technology
- Teacher/Principal Evaluation
- Leadership
- Ethics
- School Climate and Culture

The Regional Office of Education #21 conducted 9 academies at the Williamson County Office during the 2019-20 school year, with approximately 160 participants attending.

LEARNING TECHNOLOGY CENTER (LTC)

The Regional Office of Education #21 has teamed up with the Learning Technology Center of Illinois to provide technology based workshops in our region. The Learning Technology Center is a statewide program that supports all public K-12 districts, schools, and educators through technology initiatives, services, and professional learning opportunities. The goal in holding technology workshops in our region is to maximize school districts' access to technology and enhance the educators use of technology to improve educational opportunities for students. During the 2019-20 school year the Regional Office of Education #21, in cooperation with the LTC, offered the following free technology workshops:

September 25, 2019 Dive into Google
 October 24, 2019 -Google Educator Level 1 Certification Training
 December 11, 2019 -The Google Infused Classroom using G-Suite
 January 14, 2020 -Teaching with Chromebooks
 February 18, 2020 -Flipping the Classroom
 June 12, 2020 -Teaching with Chromebooks

Leadership

Instructional Coaching Cohorts

The Regional Office of Education #21 has offered leadership opportunities in instructional coaching for our local educators. Instructional Coaching is peer-to-peer coaching that encourages teachers to work together by observing one another during instruction, accessing and reflecting on what was observed, and then deciding what questions can be asked or what information should be shared to move teacher forward professionally. Dr. Kelly D. Stewart of McKendree University and former Superintendent in our region, facilitates the training sessions throughout the year based on the work of Jim Knight, focused on six domains:

1. Adult learning
2. Instructional coaching cycle
3. Using video recordings to gather data
4. Instructional practices described in an instructional playbook
5. Communication skills
6. Leadership skills

AREA VI MCKINNEY-VENTO FEDERAL HOMELESS GRANT

The Regional Office of Education serves as the Final Agent for the Southern most 27 Counties in Illinois. A McKinney-Vento Coordinator, is funded through federal McKinney-Vento grant dollars. The coordinator serves as a resource to homeless families as they navigate the law; to the schools as they strive to provide the best education for students; and to community service providers as they work together to help families in need. During the 2019–2020 school year, there were 1,331 pre-K through 12th grade homeless students identified by Franklin, Johnson, Massac, and Williamson County Schools.

FRANKLIN COUNTY REGIONAL DELIVERY SYSTEM FOR CAREER AND TECHNICAL EDUCATION (FCRDS-CTE) EDUCATION FOR EMPLOYMENT #525

Regional Office of Education #21 serves as Fiscal Agent for the Franklin County CTE cooperative. The programs are funded by Federal Perkins Grant and CTEI Grant. Cooperating school districts include Benton Consolidated H.S., Christopher H.S., Frankfort Community H.S., Sesser-Valier H.S., Thompsonville H.S., and Zeigler-Royalton H.S. The FCRDS-CTE is governed by the FCRDS Board of Control, which consists of Franklin County school superintendents and the ROE 21 Regional Superintendent. ROE 21 serves as the entity's fiscal agent. Fiscal Year 2020 CTEI Grant Allocation is \$242,000. The FY 20 CTEI Grant has been written, submitted, and approved by ISBE. In May, 2020, FCRDS was able to amend its budget and capture an additional \$10,554 for Franklin County CTE programs, bringing the total for FY 20 CTEI Grant to \$252,554.

FCRDS-CTE operates two "Regional" CTE classes available to Franklin County students:

1. Construction Trades Class
2. Entrepreneurial Development, Growth, and Education (EDGE) class.

"CTE Works for Students!"

Over the past three years the students have built and sold a Tiny House and built items for the Benton Library Garden, including a 12'x16' storage facility. During the 2018-19 school year, students have constructed walls and soffits for a non-profit agency, walls and ceilings for offices at new Ewing Village Office, and a 12'x 20' storage facility, among other items. In its fourth year of existence, this year's Construction Trades class was the most successful and productive. In the 2019-2020 school year, the class has assisted Habitat for Humanity by providing labor for that organization's most recent new house, building front porch, interior walls, running electrical wire, etc.

Support

REGIONAL BOARD OF SCHOOL TRUSTEES

The Regional Board of School Trustees is an elected board comprised of seven members. This elected board hears petitions for annexations, detachments, and changes in school district boundaries. The Regional Superintendent acts as *ex-officio* Secretary to the Board. The Regional Office maintains all records of petitions filed in the region. The main responsibilities of the Regional Board of School Trustees are:

- Hearing and disposal of petitions for change of school district boundaries
- Hearing and disposal of petitions by school districts to withdraw from Joint Agreements/ Cooperatives
- Appointment of appraisers and approval of final settlements in the division of assets when new districts are formed

Regional Board of School Trustees meetings are held quarterly on the first Monday in January, April, July, and October; special meetings are scheduled as necessary.

Vacancy Notice-

By state law, the members of the Regional Board will appoint a person to fill the vacant seat for Massac County. The appointee is required to live in Massac County since all other counties are represented on the board. To be eligible to serve on the RBST, a person must live in the territory of ROE #21, be qualified to vote in the election for members of the RBST (live in the 22 public school districts overseen by ROE #21). In addition, members cannot serve as a member of a local school board, be a school board employee, or who holds any county office. Details may be found on our website at www.roe21.org. Anyone interested in being appointed to the FJMW RBST should send a letter of interest that describes their qualifications to ROE #21 at 901 Public Square in Benton, Illinois at 62812.
